Built in 1694, it is the oldest house of worship in New
York City*

Flushing Monthly Meeting 10/25/09
Report to New York Quarterly Meeting.

We gather every First Day in worship at 11:00 a.m. First Day mornings at 10, we gather for Discussion Group and continue to read Catherine Whitmire's book, PRACTICING PEACE: A Devotional Walk Through the Quaker Tradition.

Meeting for Worship with a Concern for Business was held on the 2nd First Day of the month.

Among our members, no new milestones were reached nor did any changes in membership take place during this period.

On 10/4/09, at rise of meeting, Flushing Friends had a pot luck to celebrate the completion of our Meeting House restoration and to express our gratitude to all who contributed to this restoration. Since New York City and New York State funded major portions of this restoration we were led to invite all of our neighbors as some of the taxpayers who paid for this work.
