Bridget Orozco of Flushing Meeting and David Casterline of Rahway & Plainfield Meeting were married under our care on 4/23/11. No other milestones or changes in membership took place in this period.

Our sprinkler system continues to be in the process of being installed.

We have signed on as one of the official sponsors of the Queens Interfaith Unity Walk, an annual event taking place this year on First Day, 10/30/11, at 1:00 p.m. The walk begins at the Sikh Center of New York, a gurdwara or temple, 38-17 Parsons Boulevard in Flushing, and makes stops at four different houses of worship and a Buddhist Center, concluding at the Flushing Meeting House. All are welcome. The planning has led to further interfaith communication which we hope will lead to interfaith community service. We also expect to participate in a series of interfaith dialogs.

Because of the diverse backgrounds of our members and attenders, we find ourselves connected with the conditions of people in Colombia, Korea, and Eastern Europe as well as Western Europe and the U.S. Our Meeting has approved a letter on the situation in Colombia and which we have submitted to NYQM for your consideration for endorsement.

Two of our members attended Annual Sessions of NYYM at Silver Bay and continue to be deeply involved in the work of NYYM.
