Re: Report to Quarterly Meeting

Manhattan Friends continues to meet on the First, Third and Fifth First Days. Second days have been set for Bible study. Meeting for Business was held on the Fourth Tenth Month. Friends had a blessed summer. Current membership is still eleven adults and one junior member. We have regular few attendees who have not committed themselves to be members. Friends met at Noel and Daisy Palmer's residence for Summer gathering.

Although Manhattan friends lead busy lives, especially during this tough economic period, we find time to support and participate in outreach programs. Our children continue to be a treasure to us in their meeting involvement. Some of our members are participating in "One in Christ Meeting" with other friends of the Quarter which is held once a month at Friends Seminary Library. Bible study is a major study benefit to our Quaker study gatherings once a month.

We look forward to the Barnraising Benefit Concert on 13th November 2009 being sponsored by New York Quarterly Meeting to help schools in Tanzania and Kenya.

In Friendship,

**Margaret Mulindi, Clerk,
Manhattan Monthly Meeting**
