

2011.01.14 The proposal from the Trustees on the Seeger Trusses Project is read by Michael Schlegel. The Trustees of New York Quarterly Meeting are requesting a reallocation of \$50,000 in 2011 and \$50,000 in 2012 for the expenses involved in resolving the design of the trusses in the Seeger Center.

Mike Schlegel answers questions and Friends offer further information on the background of the trusses and concerns are raised about other pressing property repairs.

Discernment continues. This proposal was laid over until the July meeting.
