

**Report from
The Property Task Group**

(The purpose of the Property Task Force is to develop a proposal for the resolution of all property and related issues in connection with the proposed incorporation of Friends Seminary.)

written on October 13, 2011
to be presented to NYQM on October 23, 2011

Quaker members of the Property Task Group feel the need to consult with members of the Quarter on some specific issues more extensively before moving forward. Quaker members ask that the Property Task Group be suspended temporarily while Friends do this, and request a Called Meeting of the Quarter.

The two committee members from the Friends Seminary community feel the group is at an impasse and should be laid down.

The committee is not in unity as to the way forward.

Current members of the committee, all present:

Clerk Ben Warnke (Trustee)
Charles Brainard (Audit & Budget)
Maureen Healy (15th St Meeting)
Mike McCarthy (Friends Seminary)
David Moody (Friends Seminary)

and present from QM Ministry & Counsel, Tom Rothschild
