

Staten Island Executive Meeting  
Report to New York Quarterly Meeting  
Fourth Month, 17<sup>th</sup> Day, 2011

Staten Island Executive Meeting meets weekly except for months with 5 first days; we do not meet on the 5<sup>th</sup> first day. We continue to meet in the homes of Friends. Since our last report we have had one Meeting for Business.

We are in the process of developing a small brochure about our meeting for distribution in the community.
