

Report to New York Quarterly Meeting
Tenth Month, 25th Day, 2009

Staten Island Executive Meeting holds Meeting for Worship at 10 AM on the 2nd and 4th First days of each month. Since our last report, we held one Meeting for Business.

The Meeting has had its focus on the support of members in their difficulties with family members, and on continuing to find ways to support the men incarcerated at Arthur Kill. Our efforts in the education department have had more institutional support recently. We are still in need of another Quarterly Meeting member to attend the meeting for worship at Arthur Kill once a month.
