

Request from the Housing Committee July 14, 2012 NYQM

The Housing Committee of NYQM requests the amount \$1,600 be added to its 2012 budget. This amount is equal to the amount needed to buy a table (8 seats) at the Friends House at Rosehill annual fundraiser. The committee would like to invite interested members of the Quarter to attend the fundraiser and hope the purchase of these seats will make that possible for Friends of limited means.

Respectfully,
NYQM Housing Committee
